## INQUIRY SESSION: JESUS

### My Story

We will meet many people in our lifetimes. Some people—a teacher, a sports coach, a teammate—we may know only for a short time. Others—classmates, neighbors—will become our close friends and will make a lasting difference in our lives.

### AND THINK

- *Who is a special person in your life?*
- *Why is that person so special and important to you?*

### God's Story

Jesus may be the most important person in each of our lives. He is our Savior. Only God can forgive sins, heal this broken world, and bring us home to Heaven. Only God can bring an end to evil, sin, and death itself. Jesus is God, and it is he who does these things for us.

Jesus is also known by the name Christ. This name comes from the Hebrew word for Messiah, and means “anointed one.” Jesus was anointed by God the Father, with the Holy Spirit, to be the Savior of the world. There is no other like him.

## Witness of Faith

### Saint Joan of Arc (1412–1431)

Joan of Arc lived by the motto, "Let God be served first." Joan grew up in France at a time when England and France were at war. She believed that God was calling her to help France, so she became a soldier and led France during the war. When in battle, Joan of Arc carried a flag called a standard. On the standard was a picture of God in Heaven, and pictures of the archangels Michael and Gabriel worshipping God. The holy names of Jesus and Mary were written on the standard in letters of gold. The leaders of France did not approved of Joan.They had her killed when she was just nineteen years old. The Church celebrates the Feast of Saint Joan of Arc on May 30.
